Look out for the icons on the back of our books!

# LEARNING SKILLS CHART

Each of our bold and brightly-illustrated books that feature the **learning numbers** icon have a strong focus on identifying, learning and counting numbers.

Every book with our **discover colours** icon has been created specially to help your little one to recognise different colours in a fun and enjoyable way.

Our **discover shapes** icon highlights titles with a focus on introducing basic shapes to your child in a way which helps them to learn and make links between shapes and objects.

With a focus on early learning, our **learning words** icon identifies titles designed to introduce young readers to first words, improving communication and understanding.

Books with our **problem solving** icon encourage interactivity, and independent thinking. Each title is specifically designed to challenge your little one without being too tricky!

Aiding a child's early-years development, our interactive books featuring the **fine motor senses** icon are designed to encourage interactivity and refine their fine motor skills.

# i am a bookworm

With a variety of textures, materials, finishes and formats the **stimulate senses** icon identifies titles that target the senses for an even more exciting reading experience.

Books with our **listen & learn** icon encourage parents and little ones to read together to encourage learning and instill confidence from an early age.

Building on early-years learning, the **instils confidence** icon highlights titles that are focussed on improving a child's development and confidence in their abilities.

Every title featuring our **imagine & create** icon promotes free thinking, imagination and creativity for children of all ages, encouraging new ideas and different ways of thinking.

The **explore your world** icon introduces exciting and new places and objects to readers of all ages, developing their understanding and increasing awareness.

Supporting inquisitive minds, the **touch & discover** icon encourages play and interactivity with each title through movements, flaps and interactive stories.
